Community Foundation Offers a Dollar for Dollar Match to Feed Hungry Families.

Following on the heels of a generous gift from the Olive B. Cole Foundation, the LaGrange County Community Foundation has been inspired to announce a very special dollar-for-dollar donation opportunity. Local residents who are looking for an effective way to share their good fortune during the holidays are encouraged to step up to the Community Foundation's "We Give Thanks" Community Challenge.

From Thanksgiving week through the Christmas holiday, the Community Foundation pledges that every dollar donated to the Community Foundation's Good Samaritan Fund will be matched by another dollar and that both dollars will be awarded to our local food pantries. The total match amount pledged by the Community Foundation is \$10,000. Including individual donations, the total award to pantries could reach \$20,000 or more. With oversight from the Community Foundation Board of Directors, final distribution from the "We Give Thanks" Community Challenge will be made to the pantries in January.

Join with the LaGrange County Community Foundation Board of Directors, Staff and Volunteers in this effort as "We Give Thanks" by sharing our many blessing with those in need. Please make your donation checks out today to the LaGrange County Community Foundation. Include the words, "Good Samaritan Fund" on the memo line.

For more information contact the Community Foundation at (260) 463-4363.
