YOUR IMPACT IN LAGRANGE COUNTY IN 2022

You helped Mike who needed assistance with gas costs.

When Mike was diagnosed with prostate cancer in 2022 and learned that he would need to undergo 43 radiation treatments in Fort Wayne, he felt depressed. "I talked to some friends who had experienced cancer, and after that I felt like I could do it."

An active and social person who loves golfing and fishing, Mike couldn't stand the silence in the waiting room at the treatment center. "Everyone would sit quietly while they waited. I'm not that kind of person. So I started striking up conversations."

Over time, a supportive community developed in the waiting room. Men and women facing cancer celebrated each other's triumphs and supported one another during a challenging time.

It was in that waiting room where someone encouraged him to get in touch with Cancer Services. Mike called and received gas cards to help with the regular trips to Fort Wayne. Jo, his wife of 45 years, enjoys free massages. "Cancer Services has everything and makes getting what you need so easy. It's such a neat place."
